

P.H.D.Fernando,
No: 32/10 Church road,
Eldaniya,
Kadawatha.

Dear Sir/Madam,

Applying for a Software Engineer internship

With reference to your advertisement. I am confident that I would be a perfect fit for this position as my experience and abilities precisely match your requirement. . I have almost completed my Bachelor's Degree in Applied Sciences (ICT) from the Rajarata University of Sri Lanka. In university, I have done some small projects using JavaScript and .NET . In addition, I am good team player and having leadership skills too. I am a continuous learner and I believe that I possess the necessary skills you are seeking and would make a valuable addition to your company. I will put the best of my effort in learning and contributing towards the growth of your organization. I have attached my resume for your review and I look forward to speaking with you further regarding a position in your company.

Thank you,
P.H.D.Fernando.
